

Power cords

WireWorld power cords feature a unique geometric structure and composite insulation materials to maximize inductive and capacitive filtering, effectively absorbing power line noise and damping the electrical resonances that other cords and power conditioners cannot tame. Among the innovations in this design are low-impedance balanced shields, which are closely coupled to the conductors to cancel unwanted energy.

The Matrix - Discontinued

- 6 way fully shielded power distribution block
- Extruded aluminium
- Internally hard wired with solid core cable

Replacement for Matrix due soon.

The Furutech mains plug option

SRP	129.95	<i>Mains plug upgrade for all WireWorld mains cables.</i>
FUT		

All WireWorld mains cables are supplied with a standard UK mains plug.

Optical cables

The Supernova 6 (Glass fibres) **New**

	1.0m	2.0m	3.0m	5.0m	8.0m

OPTYADP

Balanced digital audio cables (AES/EBU)

A range of highest grade digital audio cables for the very serious Audiophiles.

The Platinum Starlight **New**

	0.5m	1.0m	1.5m	add/m
SRP	849.95	1499.95	2149.95	1300.00

PSA XLR F to XLR M

The Gold Starlight 5

	0.5m	1.0m	1.5m	add/m
SRP	249.95	399.95	549.95	300.00

GSA XLR F to XLR M

The Equinox 6

	0.5m	1.0m	2.0m	add/m
SRP	64.95	99.95	169.95	70.00

EQA XLR F to XLR M

The Oasis 6

	0.5m	1.0m	2.0m	add/m
SRP	42.95	54.95	79.95	25.00

OBA XLR F to XLR M

MP3/PC/i-Pod cable

(3.5mm jack to RCA)

A high grade audio and video cables that provides a significant improvement over mass market offerings.
